Game Rules

1. Please don't use violence when handling the game props.

2. Please don't remove any cables and be careful with any electronics you may encounter.

3. Apart from violence, everything is allowed.

4. You have a 40 minutes time limit.

5. The order in which the puzzles have to be solved results from the game. You will need most props only once.

6. Choose a codeword.

7. You have 3 hints.

8. If you need a hint, please say the codeword.

9. Please leave all props in the room when you're finished.

Have fun!
